Registered doe and buck divisions must have original registration certificate, and when applicable, a transfer of ownership less than 90 days old. Papers checked at registration. **NPGA rules now require all animals over 6 months old be tattooed or microchipped to be shown. Exhibitors shall not show any doe or buck in an NPGA-sanctioned show with the herdname of the judge who is judging that show. This does not apply to wethers.** Only healthy animals allowed on the fairgrounds. Animals having runny nose or eyes, coughs or other obvious signs of illness will be requested to leave the grounds unless accompanied by a signed veterinarian statement that the animal is healthy. The decision of the show committee is final and entry fees will not be refunded.

PENS - \$6.00 per pen. Pens are 6' x 6'. Shavings provided. You must have your animals there to reserve pens. If you have animals that are jumpers or babies that might escape, please bring a cover for your pen, chicken wire or plastic netting. We have an arrangement with the fairground so we don't have to clean pens. There are two barns with pens, one down on the flat near the arena, the other up the hill above the arena. Please don't take the pens down on the flat unless you are showing 3 or more animals in the open show and there are at least 3 animals in each pen. Bucks may be housed separately in pens, but you must be showing at least 3 animals in the open show to use these pens. If you are only showing in the junior show or less than 3 animals in the open show, please house your goats in the upper barn area.,

SUPPLIES - Alfalfa will be available for sale at the show if you advise Linda Henwood in advance. Should you need any additional supplies, there are feed stores fairly close to the fairgrounds.

The cost for on grounds overnight RV is \$20.00. Please indicate on your entry form if you are bringing your RV and include payment with your entry. Tent camping available \$10.00. You must ask Maintenance where to place tents due to underground water systems. No saving of RV spaces.
