DIRECTIONS

From Reno, take US395 north to Susanville. As you are nearing Susanville, follow signs into town, rather than staying on US395 which actually loops around to the west and misses town. Just after passing the second traffic light on Main Street, turn right onto Russell Avenue. Approximately 2-3 blocks past the National Guard Armory, turn right at the Livestock Gate into the fairgrounds.

From Redding/Chico, TAKE Hwy 36 to Susanville. Take Main Street south through town to the Spirit gas station. Turn left onto Fair Drive and proceed to the end. Turn left again onto Russell Avenue, and go 2-3 blocks to the Livestock Gate on your right. Turn right to enter the fairgrounds.
